

CMS Review

Provider & Family

Suggestion Sessions

Providers and families affected by the Waiver & PCA moratorium,

We want your input as we work with the Centers for Medicare & Medicaid Services (CMS) on our plan to improve **Alaska's Medicaid Waiver** and **Personal Care Assistance** services. Help us brainstorm better systems for

1. Quality assurance
2. Monitoring the health and welfare of waiver participants
3. Provider oversight
4. Preventing conflicts of interest
